Q4 Briefly describe the purpose of your organisation.

Describe the usual activities/services you provide.

The Teign Heritage Centre is the home of Teignmouth and Shaldon Museum and is the keeper of the history and heritage for the local community. In addition to the galleries that reflect aspects of the development of Teignmouth and Shaldon it provides an archive service for local residents and those living further afield. Local schools are offered educational opportunities at the museum along with plans to introduce holiday workshops for children local residents. The Museum also has a space, the Teign Room which we hire to local community groups and alongside the traditional Yoga and exercise classes we also provide a space for amongst others Carers groups.

Q5 If you are a subsidiary of a larger organisation, please state which one;

Q7 Previous Applications

If you have applied for and received funding from Teignmouth Town Council in the past please provide details of the amount, the year and briefly what the funding was used for.

Until 2021 Teign Heritage received an annual grant of £2500 to be used for

general running expenses. It was then apparently dropped from those

organisations that received an annual grant. We were not informed of this change

until earlier this year.

Details of the project or activities you are planning

Q8 Describe the projects/activities you plan to use this grant for.

Try to be specific about what you will do and how you will do it.

The Teign Room mentioned earlier has a dividing partition enabling groups to use the room whilst the Museum is open to visitors. Recently we received an estimate of over £4000 that would be needed to replace/repair the existing partition which is now old and has been extensively used. We are seeking a grant to contribute to the cost of replacing/repairing these dividing doors so that we can continue to enable local community groups access to these facilities.

Please state how you have identified this need and how the project will benefit the people of Teignmouth, together with the estimated time span.

The Teign Room is extensively used throughout the year and unless the dividing doors are repaired/replaced it would mean community groups such as U3A, Devon Carers, The Young Ones (a group for carers of early onset dementia sufferers) Purple Pebbles and the regular Karate and fitness groups would need to seek accommodation elsewhere and probably at higher hire charges. The life span of a new partition would we estimate be 10 years,

Q9 What criteria will you use to measure the success of the project and how

many people from the Town do you expect to benefit for the project and nov project/activity?

Success Criteria: Continued and increased use of our Community facility

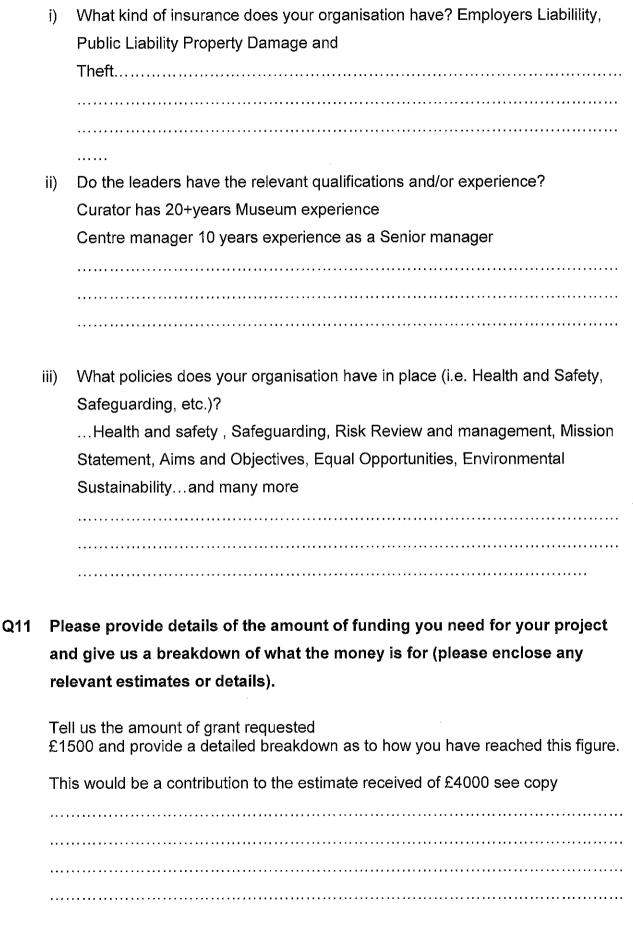

A rough estimate would be that 500 people from the town over a year would benefit.

Q10 What, if any, special safety issues are related to your project/activity? Page 9

Report of the Trustees for the Year Ended 31 October 2022.

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 October 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

CHAIR'S SUMMARY

The Trustees are pleased to present their annual report for the year to 31 October 2022. As I write, worries over the pandemic seem to have long receded, but its impact continues, not least on our ability to attract visitors to the Museum and hirers to our excellent Teign Room. And there have been other challenges, as you will read below. But there have been positive developments and Teign Heritage remains in good heart.

Financially speaking, we have weathered the storm remarkably well, but we still need to plan for the future against ever rising costs and threats to our income so as not to deplete our limited reserves. Do please read on.

Richard King, Chair

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's vision is 'Telling the stories and keeping the memories of Teignmouth and Shaldon alive' for the communities of Teignmouth and Shaldon. That is how we aim to carry out the formal object of our Charity, which is the advancement of education in particular by:

1. promoting interest in the history and heritage of Teignmouth, Shaldon and the surrounding district ('the Area');

2. maintaining and developing the museum for the Area; and

3. a programme of lectures, displays, discussions and visits to extend knowledge of the Area and of history in a wide context.

Teign Heritage is a local museum, run entirely by volunteers. We have an education team which offers lectures and themed visits for local schools - now no longer online after the relaxation of pandemic restrictions. Our fully equipped Teign Room is again available for school visits and for hire to community groups and businesses where possible. Other facilities include accessible toilets, baby changing facilities, a lift and roof terrace and a revamped retail offer. Our team of archivists responds to enquiries, researches topics for articles to put online or in the Friends journal and also produces our temporary exhibitions.

ACHIEVEMENT AND PERFORMANCE

Acknowledgements and thanks

The Trustees want to thank Lou Bagnald (former Curator and Trustee, who resigned in the summer), Lin Watson (Senior Archivist - since reappointed Curator - as well as being a Trustee) and Malcolm Tipper (our new Centre Manager) for the many hours they have given, unpaid, to the running of the Museum. This is in addition to their roles as joint Duty Managers with Theresa Killoran and now Geoff Wood, Jo Hyde and Jenny James - a vital role for which we thank them all.

All the Trustees play their part but, as noted below, Ian Mitchell has also given up a great deal of time to the buildings and compliance side, while Barrie Dennett, in addition to his work on HR and other matters, has been largely responsible, with the help of the Treasurer and the former Curator, for bringing these accounts to public view. He has built on the work of former trustee Peter Maberly to show more clearly how we are doing, both in our work as a charity and in the 'business' side that pays for that work. In 2022 Jamie Evans, being by some margin the youngest trustee and the only one working full time, was reappointed for one more year - to the maximum allowed by our constitution. His insight and experience in economic evidence, policy and strategy at County level continues to be invaluable.

Malcolm, one of our archivists, had taken on the role of volunteer coordinator and joint duty manager early in the year but, following Lou's departure, he was appointed interim Centre Manager, a role that was confirmed after the year-end. He and the Trustees made other changes to the management team, as described below.

The continued success of Teign Heritage - despite the challenges that everyone has had to face because of the ongoing pandemic - is due to the dedicated work of our many volunteers including archivists, stewards and the education team. We are very grateful for the contributions of the Museum Management Committee, now chaired by Malcolm, including Theresa Killoran (Office Manager and membership secretary); Ruth Cole (Treasurer), Jayne Adames (Volunteer Coordinator), Jenny James (Retail), Christina Siviter (compiler of 50 years stories), Geoff Wood (Webmaster) and Sarah Marshall-Maun (Education, who resigned during the summer; Eileen Simpson has since taken on a large part of this role). We should also mention Geoffrey Davis who edits our twice-yearly Journal, but there are many others who do important work in the background.

Buildings management and compliance

With a building that is, in its current form, about 12 years old, it was only to be expected that some renewal would be needed. While the exterior of the newer parts has been repainted recently, the old Georgian part needs to be tackled when funds allow.

Ian's considerable experience of buildings management and regulatory compliance remains invaluable. He has renegotiated several contracts to control our spending and advised on a variety of compliance and other issues, and he has overseen a lot of work or carried it out himself. Leaks to the modern flat roof and tower during heavy storms remain a concern as they are difficult to trace.

In the previous financial year, we tried introducing a 'coffee hub' as an added attraction for visitors to increase our income, but it did not give us the hoped-for benefits and was discontinued after the year-end. Instead, we will use the space to enhance our retail area. Our new electronic point of sale ('EPOS') till system has proved more successful, improving our record-keeping and stock-control and simplifying the way we manage and charge for our improved offer of merchandise.

A changeover to fibre broadband was a great improvement for the office, overcoming the frustrations of intermittent internet connection. And, since the year end, we have been upgrading our hardware and operating systems which we considered elderly and vulnerable.

Membership, footfall and charges

At the end of the year, the number of members was nearing 330, and recruitment has continued. The very modest subscription for membership of the charity (£15 p.a., now to be increased to £18 with effect from 1.11.2023) entitles subscribers to visit the Museum as many times as they wish during the year, saving them £5 per visit, and also to use the extensive archive for research. They also receive the Friends' Journal twice a year and eight free lectures.

Report of the Trustees for the Year Ended 31 October 2022

Before the lockdown took effect in March 2020, the Trustees had decided to open for longer during the winter months, and early signs were encouraging. But the pandemic severely affected the number of visitors that might have been expected when we finally reopened in June 2021. In 2021/22 that number (3,021) was nearly double the previous year's, but still less than before the pandemic. Overall footfall at 8,883 is well up on the previous year (2931) but still much less than the 14,000-odd numbers pre-pandemic, in part because Teign Room bookings have not yet fully recovered. School visits picked up despite the ongoing effects of the pandemic and funding shortages, and there has been excellent feedback from those who have visited.

In April 2022 we were able to hold the annual meeting of the Friends of Teignmouth & Shaldon Museum face-to-face once again, to explain what the Trustees had achieved despite the previous year's closures and the significant loss of income.

Exhibitions, lectures, history walks and other local events

Early in the year under review, the 'Shaldon Then and Now' exhibition planned for autumn 2020 finally took place. In addition to a special one for the late Queen's Platinum Jubilee, we also had "Wish you were here! At the seaside in the 50s" and "Dead famous in Teignmouth and Shaldon - Astounding inventions". The latter, suggested by the National Heritage Open Days project, highlighted eight past residents, and for one day of the exhibition we gave visitors free entry to the Museum.

We have enjoyed talks from: David Force on the History of Dawlish; Neil Howell on Teignmouth Photographers; Dr Chris Davis on Francis Danby and J M W Turner; Eileen Simpson ('a virtual stroll along the Coombe Valley'); and Dr Ian Maun on the history of cricket (which unfortunately coincided with the period of mourning after the death of Queen Elizabeth), as well as a poem presentation by Ian Chamberlain and a book signing by Mike Marshall, author of 'The Genesis Quest'.

We also hosted a visit by a history group from another town and an outreach talk on the history of the Orangery at Bitton House, once the home of the famous Admiral Pellew, Viscount Exmouth. We were glad to arrange another short season of history walks with Bob Blewitt, and visits for volunteers to St. Nicholas Priory, Ugbrooke House, Powderham Castle and the ancient church at Haccombe (for a talk by BBC naturalist Andrew Cooper). We also gave a talk to the residents of a local care home. A new development was a series of several very successful 'Teigny Tinies' workshops for the very young, with their parents.

We mained a stand at the Jubilee events on the Den organised by the Town Council, with a display of Coronation literature in one gazebo and retail items in another. Two storytelling sessions for Teigny Tinies were very well attended and Flea Circus performances by Dr Tony Lidington (Promenade Promotions) had big audiences and were a lot of fun.

We continued to work with local charities the Pavilions, TAAG (Teignmouth Arts Action Group) and Age Concern Teignmouth & Shaldon (now The Alice Cross Centre) and Teignmouth Library on the Teignmouth Together Project.

In 2022, we again hosted part of the Teign Maritime and Shanty Festival to encourage access to the Museum and were grateful to receive another generous donation from the organisers.

There was some excitement when one of our Trustees spotted tomatoes growing in French Street just outside the Museum - a sure sign of sewage not going where it should - and contacted the Environment Agency about what proved to have been a longstanding problem. Progress was slow so we took up the case in the local press in November 2021, leading to an interview with our Curator on BBC Spotlight. Swift was the result. South West Water swung into action and, with the help of our research of old maps, investigations revealed that sewage had (literally!) been backing up from a blockage near the Teign Corinthian Yacht Club. There was a lot of history to this.

Gifts and developments at the Museum

During the previous year we had heard of a legacy from Mrs Brenda Baker (née Seymour) of a clock, some pewter, 4 historic photos and more than 50 paintings, many of them her own works (often signed). Sadly, we could not accommodate them at the Museum (even if we had space), since they had no apparent connection with Teignmouth or Shaldon. As they were not part of our Collection, the Trustees agreed to sell the items at auction.

Report of the Trustees for the Year Ended 31 October 2022

A former volunteer, Pat Dawson, gave us a collection of local prints and we received more items to add to the Geoff Bladon collection from Christine Hudson, née Bladon. We also received part of a cannon from Simon Burton who as a teenager had discovered the Church Rocks Wreck (featured on the Time Team television programme in 1995), to add to our impressive collection from that find. We were given a few relevant items for the late Queen's Platinum Jubilee last June, including a large Jubilee flag from Teignmouth Social Club.

Going in the opposite direction, we handed over to Wirral Transport and Heritage Tramway in Birkenhead the model steam traction engine, named the "Royal Chester" (the original engine having appeared at the Royal Chester Show), as it had no real connection with Teignmouth or Shaldon. The staff at the Wirral were delighted to add it to their collection.

We were privileged to be selected as the recipient of one of the 350 splendid, embossed vases from the Queen's Green Canopy 'Tree of Trees' displayed outside Buckingham Palace for the Jubilee. Ours is one of just eight that came to Devon. On 2 December the tree it contained was planted with due ceremony at Eastcliff Park, and on behalf of Teign Heritage our Chairman accepted the aluminium 'bucket' from one of the Deputy Lords Lieutenant, Group Capt. Gordon Evans, promising that it would not be used as a waste bin. Plans are afoot for it to be displayed on the 'Terrasse' with a suitable small tree and an explanatory plaque.

Planning meetings are held with archivists and other volunteers, some of whom continue to work remotely. Every new steward receives The Volunteers' Handbook, which has been fully revised, and a welcome pack is given to new volunteers. Young Volunteers are strongly encouraged, as are work experience students; in that context, safeguarding remains a priority.

Public benefit

The Trustees have had regard to the Charity Commission's general guidance on public benefit, particularly when reviewing our aims and objectives and planning future events. They are satisfied that the charity's activities listed above do bring significant benefit to the public in terms of education and conservation, without detriment or untoward private benefit.

FINANCIAL REVIEW

Summary

The finances have been managed by a treasury team now led by Barrie Dennett (Trustee), with Lou (until her resignation as Curator and Trustee), Ruth (Treasurer) and Theresa (Membership Secretary, now Office Manager) and most recently Malcolm as Centre Manager. Barrie has been instrumental in simplifying our management accounts so as to improve our decision-making.

The accounts show that income for the year was £37,683 (2021: £119,164) and expenditure £35,420 (2021: £93,247) which produced a surplus of just £2,263 (2021: £25,917). This was better than we had forecast. We had expected a return to something approaching normal after the previous year, when we received exceptional grant income - almost £100,000 - for specific projects, which had to be spent.

Expenditure has since returned to more normal levels and is kept under careful control. We have tried to battle the huge rise in utility costs brought about by the Russian invasion of Ukraine, although we have to ensure that the galleries in the Museum are maintained at a constant temperature.

Unsurprisingly, income from admissions, shop sales, rentals, education and fund-raising was much higher, by some £12,000, than in the previous year that was so badly affected by the pandemic. But subscription income fell by just over a quarter although there has been an improvement since the year-end.

It is clear that, as things return to somewhere near normal, we need to find new revenue streams if we are to avoid losses, let alone expand our operations.

	2016-17	2017-18	2018-19	2019-20	2020-2 1	2 £37,68	2022-23 Forecast
Income	£32,536	£39,064	£41,860	£33,722	£11,9164	3 £35,42	under review Forecast
Expenditure	£30,605	£37,554	£49,898	£49,569	£93 , 247	Ó	under review a deficit is
Surplus/(deficit)	£1,931	£,1510	(£8, 038)	(£15 , 847)	£25,917	£2,263	forecast

Despite the difficulties caused by the previous pandemic crisis, the Trustees are satisfied that, both at the year-end and at the date of writing this report, the charity was and is a going concern.

Grants and funding

We remain very grateful for the ongoing support from Shaldon Parish Council. For several years we have enjoyed a valuable annual grant from Teignmouth Town Council, but in the year under review, and to date, it has not been forthcoming. Unfortunately Teignbridge District Council withdrew its support for the SW Development Fund so we are no longer eligible to apply to that. But we have been very pleased to receive donations from several Councillors out of their community funds towards a flood defence barrier for the rear doors of the Museum, the purchase a new Union Flag for our flagpole and events connected with the late Queen's Platinum Jubilee. We also applied to Arts Council England via Devon Community Fund for support for our Jubilee events but were unsuccessful.

Lou Bagnald as former Curator took advantage of every opportunity to attract funding, and Malcolm Tipper has continued that work, seeking a grant (approved after the year-end) under the New Audiences New Stories scheme to work with Teignmouth Rugby Club as it prepares to celebrate its 150th anniversary in 2024.

Investment Policy

Apart from retaining a prudent amount in reserves each year as explained below, most of the charity's funds are to be spent in the short term so there are few funds available for long term investment. We have a modest amount invested in COIF Charities Investment Fund, run by CCLA. This investment is regularly reviewed, but the Trustees consider it to be a long-term investment and are reluctant to be swayed by inevitable volatility in stock market performance, especially in the situation brought about by Brexit, the pandemic and the Ukraine war. This last prompted a decision to liquidate some investments, but in the event they were reinstated.

Report of the Trustees for the Year Ended 31 October 2022

Reserves Policy

A formal policy on reserves agreed by the Trustees aims to have the following funds held in reserve:

working capital (12 months' turnover)	£30,000
reserve for future matched funding in grant applications	£10,000
essential improvements to building including 'La Terrasse' (top floor gallery)	£32,000
redundancy and other costs in event of forced closure	£10,000

Thanks to the improved financial position over the last two years, we are ahead of our reserves target, with total free (unrestricted) investments and cash at over £91,000. But, although redundancy costs are not an issue for the foreseeable future, a further review is likely to show that this target is not ambitious enough, in the light of expenditure already in the pipeline and further information received in regard to the cost of building the top floor gallery.

FUTURE PLANS Looking ahead

Work continues with the Devon County Archaeologist on a proposal, under the Tide project, for a virtual reality set and screen of a World War Kite Balloon and a new on-screen display of a dive on the Church Rocks Wreck mentioned above.

Proposed exhibitions in the current year are on Regency Teignmouth and the chequered history of Higher Brook Street, not far from the Museum.

We are looking to recruit more volunteers, including Trustees, with the necessary skills in education, finance and social media. We also hope to appoint three more Management Committee members to represent the Front of House Volunteers, the Education/Non-Assigned volunteers and the Archivists team.

Work is progressing on updating our policies and procedures in line with the requirements for the new Accreditation Standard from Arts Council England. But we are not now expecting to have to apply to renew our accreditation until 2024 at the earliest.

The La Terrasse' project, to develop out the top floor of the Museum to provide additional space, remains on hold until sufficient resources - in terms of both funds and skilled personnel - can be found. Meantime we hope to redecorate the exterior of the older parts of the Museum, following the successful repainting of the modern 'Annexe' wing.

Action Plan

The Trustees have a 5-Year Plan, which details ways in which the following seven main aims can be developed.

- 1: Education extend the range and maintain the quality of learning opportunities offered
- 2: Community Participation maintain and develop community participation activities
- 3: Income and Finance develop a range of income sources to ensure long-term financial stability
- 4: Personnel continue to strengthen the staffing capacity
- 5: Collection develop and promote the collection
- 6: The Building maintain and enhance the building and its equipment
- 7: Systems Management improve the network, security and accessibility

The plan will be further reviewed and updated in the year 2022/23. Talk of a much-needed new second-floor gallery is on hold until we can be confident that there are sufficient resources - both financial and personal - to build and manage it.

Report of the Trustees for the Year Ended 31 October 2022

STRUCTURE, GOVERNANCE AND MANAGEMENT Structure, governance and management Structure

Teign Heritage is a charitable company limited by guarantee, incorporated on 12 July 2006 and registered as a charity on 25 September 2006. As a charity, it was able to dispense with the word 'Limited' in its name.

The company was established under a Memorandum and Articles of Association which set out the objects and powers of the charity and how it is governed. In the event of its being wound up, its members (who are also the Trustees) are required to contribute an amount not exceeding £10.

The directors are also the charity trustees for the purpose of charity law, so under the company's Articles they are described as Trustees. They are elected to serve for a period of three years, after which they can be re-elected (by the Trustees themselves, in their capacity as the company members) at the next AGM up to a maximum of three consecutive terms. The Articles adopted in December 2019 permit a trustee to continue in office for up to three further periods of one year if the other members unanimously consider it to be in the charity's interests for the trustee's maximum nine years' service to be extended.

Governance

The Trustees - in particular the Curator and the Archivist - are supported by a Management Committee which considers matters concerning the day-to-day management of the Museum, including the education programme, events and retail sales. The Management Committee also assists with recruitment and supervision of volunteer stewards who are essential to the functioning of the Museum. The Trustees adopted new terms of reference for the Management Committee during the year.

Trustees (and indeed volunteer stewards) have traditionally been recruited by word of mouth among local people known to be interested in heritage matters. Limited external advertising has been carried out but this may need to be stepped up.

Currently there is no formal induction process for Trustees as the trustee induction pack is still under review. Meantime their attention is drawn to our policies and procedures and to the Charity Commission's CC3 guidance 'the Essential Trustee: what you need to know' and to available seminars and workshops. The Curator and Archivist (and occasionally other Trustees) have regularly attended museum-related meetings such as the Teignbridge and Devon Museums Groups and RPRP, the Rural Proofing Resilience programme developed by South West Museums Development, although during the pandemic opportunities have been few and far-between.

All Trustees give their time voluntarily and received no benefits from the charity. They may claim expenses but in practice none of them does other than for necessary visits by our Curator and Archivist.

Trustees and Personnel

The responsibility for managing the Museum and the wider charity rests with the Trustees, supported by our Centre Manager, Treasurer, Office and Retail Managers and other members of the MMC as we have explained above. We are very grateful to them and of course to all our stewards and volunteers without whom the Museum could not function. We still need more volunteers to carry out the many tasks that are needed to make the Museum work.

In August, Lou Bagnald resigned her position as both Curator and Trustee. She had played a key role in the Museum for several years, and her departure led to some restructuring of its management, as noted elsewhere. We have not yet identified someone to replace her as Trustee. We are very conscious of the need for more Trustees, particularly on the financial side and also to replace Jamie Evans who finally retires during the current year.

As noted above, Sarah Marshall-Maun left us in the summer to devote more time to her family and business commitments. In addition to her educational role, she did much to improve our outreach on social media, and this is something that we need to expand on.

Report of the Trustees for the Year Ended 31 October 2022

Risk Management

In addition to ongoing risk assessments in regard to visitors, hirers and school visits, the Trustees annually assess the major risks to which the charity as a whole is exposed, in particular those relating to the operational areas of the charity and its finances, by identifying and ranking risks in terms of their potential impact and likelihood. The Trustees have reviewed those risks and taken such steps to mitigate them as they are able. It is fair to say that no-one foresaw the impact of a pandemic leading to the closure of the Museum but the Trustees have been careful to assess its consequences for our charity when planning ahead.

Independent Examiner's Report to the Trustees of

Teign Heritage

Independent examiner's report to the trustees of Teign Heritage ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 October 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe;

- 1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
- 2. the accounts do not accord with those records; or
- 3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Q8 Describe the projects/activities you plan to use this grant for.

Try to be specific about what you will do and how you will do it.

Teignmouth Youth Choir is a newly formed choir group for children aged 7 - 16. We meet on Monday afternoons from 1545 - 1630 throughout school term time at the Alice Cross Centre in Teignmouth.

We hope to become an active and visible group within the community of Teignmouth and surrounding areas, in order to provide both a performance platform for the choir and uplifting entertainment for audiences.

There is much evidence to support the beneficial effects of singing on children's wellbeing and mental health and this is something we are keen to promote. Through working with a professional Musical Director, learning to sing in harmonies/parts and exposure to sheet music children will develop and broaden their musical understanding and awareness. Through performing publicly they can develop their confidence, team building skills and self-worth.

The local council have offered their support to this venture as they can see the potential value of providing an opportunity for beneficial social interaction for young people in the area. There is currently no other provision of a youth choir in the town.

Our initial performances are already lined up for the end of November, firstly at the Teignmouth Christmas Light Switch on, this is in the centre of the town and attracts a large number of families. This opportunity has arisen through the interest of the local council. We hope that this performance will encourage new members to join and we will have flyers on hand with details.

Our second performance is at a local care home for residents with dementia. We hope this performance of some Christmas classics will bring enjoyment to both the residents and the children who are performing, fostering intergenerational understanding.

The aim of the choir is to be accessible to all, with a minimal fee to families of £15 per half term. We feel this is especially important in the current economic climate and at a time when families may not be able to afford one to one music lessons for their children.

If allocated this grant we would put it towards the following:

- Advertising (printing posters and flyers)
- Sheet music costs (specifically Christmas)
- Logo'd sweatshirts for performances (subsidised for low income families)

Please state how you have identified this need and how the project will benefit the people of Teignmouth, together with the estimated time span.

The project will give children in Teignmouth an extra-curricular activity outside of the school environment, something which is currently lacking in the area. It will give them the opportunity to mix with peers whom they wouldn't normally meet. We aim to keep costs to a minimum through the help of grants, making it accessible to all. The choir is newly formed, but already going from strength to strength, hopefully a project that will continue in the town for many years.

Q9 What criteria will you use to measure the success of the project and how many people from the Town do you expect to benefit for the project/activity?

The success will be measured by the number of children who choose to attend, something that we hope to rise in the future. However, many more local people and visitors will benefit from the choir through our public performances, the first of which is in November at the Christmas light switch on.

Q10 What, if any, special safety issues are related to your project/activity?

Please provide the following information -

- i) What kind of insurance does your organisation have?

 Jacobs holds public liability insurance through 'Musicians Union'.
- ii) Do the leaders have the relevant qualifications and/or experience?

Q11 Please provide details of the amount of funding you need for your project and give us a breakdown of what the money is for (please enclose any relevant estimates or details).

Child Protection and Safeguarding Policy

1. Safeguarding statement

Safeguarding is everyone's responsibility. Teignmouth Youth Choir recognises our responsibility to protect and safeguard the welfare of children and young people. We endeavour to provide a safe and welcoming environment where children and young people are respected, valued, and always feel safe.

2. Terminology

Safeguarding and promoting the welfare of children/young people is defined as:

- protecting children/young people from maltreatment,
- preventing impairment of children/young people's mental and physical health or development,
- ensuring that children/young people grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children/young people to have the best outcomes.

Child Protection is a part of safeguarding and promoting welfare. It refers to the activity that is undertaken to protect specific children/young people who are suffering, or are likely to suffer, significant harm.

Staff refers to all those working for or on behalf of the organisation, full or part time, temporary or permanent, in either a paid or voluntary capacity, including self-employed individuals.

Child includes everyone under the age of 18 or 25 if a care leaver.

Parents refers to birth parents and other adults who are in a parenting role, for example stepparents, foster carers, adoptive parents and LA corporate parents.

3. Legal framework

This policy has been drawn up on the basis of law and guidance that seeks to protect children/young people, namely:

- Children's Act 1989
- United Convention of the Rights of the Child 1991
- Data Protection Act 1998 and subsequent data protection guidance
- Human Rights Act 1998
- Sexual Offences Act 2003
- Children's Act 2004
- The Mental Capacity Act (2005)
- Safeguarding Vulnerable Groups Act 2006
- Protection of Freedom Act 2012
- Children and Families Act 2014
- The Care Act (2014)

- The Care Act (2014) Care and Support Statutory Guidance (specifically the safeguarding section of this)
- Special educational needs and disability (SEND) code of practice: 0 to 25 years Statutory guidance for organisations which work with and support children/young people who have special educational needs or disabilities; HM Government (2014)
- Information sharing: Advice for practitioners providing safeguarding services to children/young people, young people, parents and carers; HM Government (2015)
- Counterterrorism and Security Act 2015
- Working together to safeguard children: a guide to inter-agency working to safeguard and promote the welfare of children; HM Government (2015)
- General Data Protection Regulations (European Union) (2017)

4. The purpose of the policy:

- To demonstrate our commitment to safeguarding and child protection to children/young people, parents, staff and other stakeholders. We recognise that all staff have a duty to protect children/young people from harm and have an equal responsibility to act on any suspicion or disclosure that may suggest a child/young person is at risk of harm.
- To provide all staff with guidance on the procedures they should adopt if they suspect a child/young person may be experiencing, or be at risk of experiencing, harm. Including (by Safeguarding Leads and supporting agencies) consideration to the use of appropriate assessments and resources.
- To provide clarity and expectations on professional behaviours and ensure all staff have been checked as to their suitability, including verification of their identity, qualifications, and a satisfactory DBS check, and that appropriate records are maintained.

We recognise that:

The welfare of the child/young person is paramount:

- All children/young people, regardless of age ability, gender reassignment, race, religion or belief, sex, or sexual orientation have an equal right to protection from all types of harm or abuse.
- Some children/young people are additionally vulnerable because of the impact of previous experiences, their level of dependency, communication needs or other issues.
- Working in partnership with children/young people, their parents, carers and other agencies is essential in promoting young people's welfare.

We will seek to safeguard children/young people/young people by:

- Appointing a Safeguarding Leads for children/young people.
- Recruiting staff safely, ensuring all necessary checks are made.

- Sharing information about safeguarding and child protection measures with staff, parents and children/young people and other stakeholders.
- Sharing concerns with other agencies who need to know and involving parents and children/young people appropriately.
- Providing effective support and training for staff.
- Drawing on support from other agencies to manage any allegations against staff.
- Ensuring that we provide a safe physical environment for children/young people and staff, by applying health and safety measures in accordance with the law and regulatory guidance.
- Reviewing our policy and Code of Practice annually.

5. Responsibilities of the Safeguardings

- When there are concerns about the welfare of any child/young person, staff are expected to share those concerns with the Safeguarding Leads.
- The Safeguarding Leads are responsible for:
 - Monitoring and recording concerns.
 - Seeking advice and support from other agencies without delay.
 - Liaison with staff, parents (where appropriate) and other agencies.
 - Arranging appropriate child protection training for staff and ensuring all necessary checks are in place.
 - Ensuring this policy is implemented; communicated to staff, parents and other stakeholders; and reviewed annually.

6. Our Code of Practice

- Inappropriate physical contact with children/young people must be avoided. Physical contact is only appropriate in very limited circumstances. For more detailed advice please see the Guidance for Private Music Teachers set out in the Appendix to the ISM (Independent Society of Musicians) Code of Conduct.
- It is not good practice to take children/young people alone in a car on journeys, however short, unless with the prior consent of the child/young person's parent or carer, and then only in exceptional circumstances.
- Do not make suggestive or inappropriate remarks to or about a child/young person, even in fun, as this could be misinterpreted. Inappropriate remarks include innuendo, swearing, and discussing their or your own intimate relationships.
- Other than in exceptional circumstances, do not communicate directly with children/young people by email or text messages and only then with the prior consent of the child/young person's parent or guardian. If electronic communication is necessary, best practice would be to communicate directly with parents or guardians.
- Never communicate with children/young people via Twitter, Facebook or other social media.

- Do not engage in behaviour which could be construed as 'grooming' a child/young person (for example giving a child/young person money, presents or favours or talking or behaving in an inappropriate or unprofessional manner towards children/young people).
- Do take a disclosure of abuse from a child/young person seriously. It is important not to deter children/young people from making a 'disclosure' of abuse through fear of not being believed, and to listen to what they have to say. Guidance on responding to an allegation of abuse is set out in section 4 of this document. If the allegation gives rise to a child protection concern it is important to follow the ISM's procedure for reporting such concerns, and not to attempt to investigate the concern yourself.
- Remember that those who abuse children/young people can be of any age (even other children/young people), gender, ethnic background or class, and it is important not to allow personal preconceptions about people to prevent appropriate action taking place.
- Good practice includes valuing and respecting children/young people as individuals, and the adult modelling of appropriate conduct which will always exclude bullying, shouting, racism, sectarianism or sexism.

7. Guidance for staff on responding to a child/young person making a disclosure:

- Stay calm.
- Listen carefully to what is said and show that you are taking it seriously.
- Find an appropriate and early opportunity to explain that it is likely that the information will need to be shared with others do not promise to keep secrets.
- Tell the child/young person that the matter will only be disclosed to those who need to know about it.
- Allow the child to continue at their own pace.
- Ask questions for clarification only and avoid questions that suggest a particular answer.
- Reassure the child that they have done the right thing in telling you.
- Tell them what you will do next, and with whom the information will be shared.
- Make no judgement about what you have heard.
- Record in writing what was said, using the child's own words as soon as possible –
 include the date, time, any names mentioned, to whom the information was given
 and ensure that the record is signed and dated.
- Remember that whilst you may have been the first person encountering an allegation of abuse it is not your responsibility to decide whether abuse has occurred. That is a task for the professional child protection agencies.

8. How to report your concerns

- Staff could have their suspicion or concern raised in several ways, the most likely of which are:
 - The conduct of another member of staff or adult.
 - A disclosure from a child/young person.
 - Bruising or evidence of physical hurt.
 - Unusual behaviour by a child.
- Any concerns should be reported immediately to the Safeguarding Leads, who should seek advice and support from other agencies without delay.
- If a child in your care has suffered a serious injury as a result of abuse, seek medical attention immediately and then inform.

9. Urgent enquiries

- If you believe that urgent action is required, contact the Multi Agency Safeguarding Hub (MASH) Tel 0345 155 1071 and give as much information as you can.
- Your information will be passed immediately to a manager who will decide the action needed and will normally respond to you within one hour.
- You must follow up your telephone call by sending a <u>completed referral form</u> to MASH within 48 hours.
- If you think a child or young person is at immediate risk, contact the police on 999.

10. Further guidance and support

- <u>Devon Education Services</u> publish a series of <u>One Minute Guides</u> that cover a wide range of pertinent topics and provide a useful resource for staff.
- Advice and support can also be accessed via the <u>NSPCC website</u> or free 24-hour Child Protection Helpline Tel **0808 800 5000.**
